Qualifying Questions for Maintenance Opportunities

- How do you currently support your IT Infrastructure?
- Who is your incumbent support provider?
- When are your renewal dates?
- What is important to you from your IT support provider?
- What is your maintenance budget? We could provide significant cost savings on your support contracts.

Requesting a quote from Cantel

Please send us the following:

- Make & Model of devices
- Location (Town/City)
- SLA
- Serial numbers if known
- Contract length
- Configurations (for Storage Devices)
